

Oxford Portrait Days May 19th, 2018

Dear Parents,

OPSD teams with SeeSaw Studios (Dennis Slagle) to capture the 2018 competition and recital experience. **The student is to arrive at the studio 15 minutes prior to their photo session.** Prior to arriving at the studio please have student's hair in a low bun, unless instructed otherwise by their instructor. Note about makeup: Stage make up is unnecessary but light makeup is recommended because of the photographer's lighting. We do not want your dancer's face to look washed out in the photos.

DO NOT wear your costumes to the studio. There will be rooms designated for each group to change into their costumes. The OPSD staff will have one parent volunteer in each room in charge of answering all costume questions for their group. There will also be an OPSD runner that will be pulling students from the dressing rooms to the photo room. This person is also available to answer any questions. Please do not pull instructors from the photo room. Please stay in your designated room until your group has been called for their photo session.

All PreDance, KinderDance & Primary Dance please dress in your Ballet costume first.

At the beginning of each session there will be a group shot and then their individual shot will follow. If a student is not ready on time and misses the group shot, another group shot will NOT be taken. The poses will be determined by OPSD staff. Each individual shot will have 2 poses.

All viewing and ordering will be done online. You have the choice to purchase prints, download the entire gallery purchase or order merchandise (Mugs, Buttons, Mouse Pads, etc.) No need to wait for your USB to come in the mail, as soon as you purchase your student's gallery it is available to download instantly. All prints and merchandise orders will be shipped to your home. (Online Gallery for Viewing & Ordering instructions are attached, along with a sample price list.)

On Pointe & SeeSaw Studios wants this to be a smooth, enjoyable and memorable experience.

Please contact Dennis Slagle with any questions.
